

# RAILING SUPPLY & INSTALLATION CONTRACT

This agreement is made between Progressive Welding Solutions Ltd ("Contractor") and the Client.

## 1. **Scope of Work**

The Contractor agrees to supply and/or install stainless steel railing systems as per the approved design.

## 2. **Design Approval**

All designs must be reviewed and approved by the Client before production begins.

## 3. **Payment Terms**

- 80% deposit required to begin manufacturing and shipping
- 20% balance due before installation or delivery
- Supply-only projects require full payment before delivery

## 4. **Manufacturing & Shipping**

All systems are custom-produced and imported. Lead times will be communicated but may vary due to shipping conditions.

## 5. **Delivery & Installation**

Installation will be scheduled after materials are received and final payment is completed.

## 6. **Site Conditions**

The Client is responsible for ensuring the site is ready for installation. Any additional work required due to site conditions may incur extra costs.

## 7. **Warranty**

Workmanship warranty applies under normal use conditions. Damage due to misuse or external factors is not covered.

This document forms part of a binding agreement between both parties.

**8. Cancellations & Refunds**

Deposits are non-refundable once production has started.

**9. Liability**

The Contractor is not liable for delays caused by shipping, weather, or factors outside control.

**10. Legal**

This agreement is governed by the laws of St. Lucia.

By proceeding, both parties agree to these terms.
