

SITE ASSESSMENT AGREEMENT

This agreement is made between Progressive Welding Solutions Ltd and the Client.

1. **Scope of Service**

The site assessment includes on-site measurements, consultation, and project evaluation.

2. **Payment**

A non-refundable assessment fee is required to schedule the visit.

This fee will be credited toward the final project cost if the client proceeds.

3. **Scheduling**

The site visit will be scheduled based on mutual availability.

4. **Client Responsibility**

The client agrees to provide accurate location details and access to the property.

5. **Limitations**

The assessment provides an initial evaluation. Final pricing and design may vary based on actual conditions.

6. **Liability**

Progressive Welding Solutions is not responsible for delays or changes caused by site conditions or external factors.

By proceeding with payment, the client agrees to these terms.
